

## When To Use Lalilo in Your Classroom

Lalilo is a very versatile tool and can be used wherever and however it's valuable to you and your students. Try it during centers, whole class instruction, in small groups, for homework, and more. Take a moment to look through the list and jot down some ideas about how Lalilo could fit your context. Then see if you can add your own ideas!

### Implementing Lalilo

- Literacy Centers
- Whole class on the smartboard
- One-to-one
- Intervention time
- During independent reading
- To support Language Learners
- In resource room

- In the computer lab
- During choice time
- For homework
- To extend guided reading lessons
- Extra phonics and sight words practice
- Additional Independent Reading texts
- Listening Comprehension practice

**Reflection:** What are your ideas for implementing Lalilo? How will it look in your classroom?
